Nursing Leadership Program: An Overview of the Kentucky Nursing Laws and the Kentucky Board of Nursing

- Program Objectives –

- Review the Kentucky Board of Nursing's role as a regulatory agency, its mission, programs and activities, including current legislation.
- Examine the responsibility and accountability of nurses, nursing supervisors and administrators in relation to the *Kentucky Nursing Laws*, nursing practice, and current practice opinions.
- Discuss the complaint and disciplinary processes including mandatory reporting, investigation and resolution of complaints with actual case scenarios.
- Describe the requirements of nurses on probation and your role as an employer/peer.
- Explain the Kentucky Alternative Recovery Effort (KARE) for Nurses Program and the incidence of chemical dependency in the nursing profession.
- Discuss the process of obtaining initial licensure by examination.

- Continuing Education Contact Hours -

Approved by the Kentucky Board of Nursing for 7.2 Contact Hours, provider number #4-0089-7-11-165. Expiration Date 12/31/2011. Attendance of entire program and program evaluation are required for successful completion of offering.

Kentucky Board of Nursing approval of an individual nursing continuing education provider does not constitute endorsement of program content.
