Learning Objectives

Upon completion of the presentation(s) participants will be able to:

- Review the Kentucky Board of Nursing's role as a regulatory agency; its mission, programs and activities, including current legislation.
- Examine the responsibility and accountability of nurses, nursing supervisors and administrators in relation to the Kentucky Nursing Laws, nursing practice, and current practice opinions.
- Discuss the complaint and disciplinary processes including mandatory reporting, investigation and resolutions of complaints with actual case scenarios.
- Describe the requirements of nurses on probation and your role as an employer/peer.
- Explain the Kentucky Alternative Recovery Effort (KARE) for Nurses Program and the incidence of chemical dependency in the nursing profession.
- Discuss the process of obtaining initial licensure by examination.

Purpose: This program intends to review Kentucky nursing laws and the mission, roles and functions of the Kentucky Board of Nursing to help guide nurses in the responsibilities and requirements of their leadership role.

Fee and Registration: This program is free for KDMC team members or affiliates. The cost for all others is \$35, which includes course materials and lunch. Fees can be paid by cash, check or credit card at the conference.

Participants must attend the entire program and complete the evaluation at the conclusion to receive a certificate. KDMC reserves the right to cancel the program in the event of insufficient enrollment.

Registration deadline is Friday, March 2.

Environmental Statement: To ensure your comfort, please bring a sweater or light jacket as room temperatures may vary.
