Do you know someone who is a student nurse, or someone considering a nursing career? Then let them know about the StuNurse magazine. A subscription to the StuNurse digital magazine is **FREE** and can be reserved by visiting www.StuNurse.com and clicking on the Subscribe button at the upper right corner. **Educators...** let your students know they can subscribe free of charge!

duty military licensee and with the appropriate military documentation, to renew the license without the required renewal fee and continuing competency requirement.

Active duty military includes those nurses who are based state-side or deployed overseas. Not included in these groups are individuals working for the Federal government, such as civilian VA nurses, public health nurses employed by the federal government, or National Guard nurses who are not on full, active duty.

KBN must receive one of the following documents before the license of active duty military nurses will be renewed:

- PCS Orders
- DD 214
- Mobilization Orders

Copies of the above may be emailed to Ruby King at Ruby.King@ky.gov or faxed to (502) 782-2752.

If you are a military nurse and are stationed state-side, you must renew your license during the renewal period and provide the documentation listed above. If you fail to provide the documentation and/or fail to renew before October 31, you will have to meet all the requirements for reinstatement of a license.

If you are a military nurse and will be deployed overseas during the renewal period, you have two options:

1. Submit to KBN a copy of the official overseas deployment orders showing a return date. Your license will be renewed to reflect an expiration date through the renewal period that corresponds with your deployment orders. You are not required to submit a fee, and you are exempt from meeting the continuing competency requirement.
2. Do nothing until you are reassigned to the USA. You will have 90 days after your return to request the renewal of your license. You must submit a copy of the orders you receive for your reassignment to the United States. You will not be required to pay the renewal fee, and you will be exempt from meeting the continuing competency requirement.

APRN NEWS

Invalidating an APRN License

Beginning July 1, 2012, if KBN records reflect that an APRN's national certification has expired and the APRN fails to provide evidence of current certification, KBN will void the APRN license. When the license is void, the APRN may not practice in the advanced practice role. This does not affect the RN license, nor is it disciplinary action. An APRN whose license is invalidated for failure to provide evidence of current certification may reinstate the APRN license by meeting all of the requirements for reinstatement.

National Certification in Dual Population FOCI

With the assistance of our Information Technology staff, KBN is able to record national certification information for those APRNs holding certification in two population foci. To practice in either or both areas, the national certification of each must be current. If the certification of

both foci expires, the APRN license will be invalidated and the APRN must reinstate one or both foci. If the national certification of one population focus expires, the APRN may only practice in the focus area of the unexpired certification.

Prescriptive Authority of Controlled Substances

KBN now requires all APRNs holding a current CAPA-CS agreement to submit a copy of his/her DEA license. If you are prescribing controlled substances, you must have a CAPA-CS notification on file with KBN, a DEA license, and a KASPER account.

To determine if KBN has your notification of a CAPA-CS, go to the KBN web site and verify your license. If KBN records reflect a CAPA-CS notification, the validation will note, "KBN has been notified that this APRN has entered into a Collaborative Agreement for Prescriptive Authority for Controlled Substances (CAPA-CS)." If this message does not appear and you have a current CAPA-CS agreement, fax a copy of the CAPA-CS Notification form to 502-429-3336. The notification form is on the KBN web site.

A CAPA-CS may be rescinded by either the APRN or the physician. When a CAPA-CS is rescinded, KBN must be notified, using the "CAPA-CS Rescission" form located on the KBN web site.

For more information on the CAPA-CS requirements, go to <http://kbn.ky.gov/apply/aprn.htm>

Beginning with the renewal of an APRN license in 2013, 1.5 hours of the 5 hours of required pharmacology for APRNs must be in drug abuse, diversion, or KASPER.

KNCC SEEKS INPUT FROM RNs

Attention Nurses: The Kentucky Nursing Capacity Consortium is currently researching the perceptions of practicing RNs in the area of education mobility. The consortium is asking for RNs to complete a survey, which will take 5-10 minutes of your time. It can be accessed at https://uky.qualtrics.com/SE/?SID=SV_080cn6Yoy7jaHNb. You may directly access the link through the Kentucky Board of Nursing website as well. This is your chance to join your colleagues and promote access opportunities to nursing education in Kentucky. Responses obtained will remain confidential so agreeing to provide a response to any of the questions implies your consent to the KNCC to use those responses to support access to Nursing education, for future Kentucky RNs. For additional information, please contact Kim Dees, Vice President, Health Professions, Kentucky Hospital Association, at kdees@kyha.com.

IS PROUD TO ANNOUNCE THAT OUR
**RN TO BSN PROGRAM IS NOW
 100% ONLINE!**

Ready to focus on management and new career opportunities afforded with a Bachelor of Science in Nursing? The Institute of Medicine (IOM) recommends increasing the number of nurses with BSNs.* Don't be left behind!

Beckfield College is proud to include the addition of the RN to BSN online program to its rich nurse education offerings.

Why Beckfield College's RN to BSN Online Program?

- 100% online
- Complete your RN to BSN in as little as 18 months**
- Part or Full-Time Scheduling – time for family, work and school

Requirements for Consideration into RN to BSN Online Program:

Candidates must have an Associate Degree in Nursing and have a current and unencumbered RN license. This program has specific academic requirements for admission.

*IOM White Paper: The Future of Nursing: Focus on Education, 2010 **based on student taking full-time courses and completing on-time

Eastern Kentucky University is an equal opportunity/affirmative action employer and educational institution.

40 years of educating healthcare leaders

HIV/AIDS CE

All nurses are required to earn at least 2 approved contact hours of HIV/AIDS continuing education at least once every ten years.

The HIV/AIDS continuing education hours count toward the required CE in the year they were earned.

A list of national nursing organizations recognized by KBN for continuing education can be found on the KBN website (www.kbn.ky.gov/ce/natlorgs.htm).

Documentation of meeting this requirement must be retained for at least 12 years. It is not necessary to submit CE certificates to KBN unless requested to do so through the CE audit.

DOMESTIC VIOLENCE CE

Nurses seeking reinstatement, licensure by endorsement from another state, and examination candidates educated outside of Kentucky must earn three contact hours of KBN approved domestic violence CE within three years of licensure into Kentucky. This course was included in the curriculum for graduates of Kentucky Programs of Nursing as of May 1998. This is a one-time only requirement. Nurses need only submit proof of earning these hours if requested to do so through the CE audit.

PEDIATRIC ABUSIVE HEAD TRAUMA (“SHAKEN BABY SYNDROME”) CE

In 2010, the General Assembly passed House Bill 285, sponsored by Rep. Addia Wuchner. This bill requires various groups to complete a course in Pediatric Abusive Head Trauma, also known as “Shaken Baby Syndrome.” Those groups include law enforcement students, Kentucky schools, child protection staff, inmates, foster parents, child care center employees and owners, family child care providers, the HANDS program, urgent

care facilities employees, physician assistants, EMTs, first responders, paramedics, social workers, and nurses.

The requirement for nurses is a one-time continuing education course of at least 1.5 hours covering the recognition and prevention of pediatric abusive head trauma as defined by the Act. Nurses licensed as of July 15, 2010 have until December 31, 2013 to complete the course. Nurses licensed after that date have three years from the date of licensure to complete the course. The course can be offered by any approved CE provider. Nurses will only need to submit proof of completion of the requirement should they be audited. For more information, contact Mary Stewart, CE Coordinator (502-429-7191 or MaryD.Stewart@ky.gov).

EARNING PERIODS FOR ALL NURSES

Nurses are required to renew their license on a yearly basis. The CE/competency earning period is the same as the licensure period, i.e., November 1 through October 31.

KBN audits a randomly selected pool of nurses. If audited, failure to provide documentation of having earned the required CE/competency will subject the licensee to disciplinary action in accordance with the Kentucky Nursing Laws.

CE Information Concerning Annual Renewal

According to Kentucky Board of Nursing Administrative Regulation 201 KAR 20:215, validation of CE/competency must include one of the following:

1. Proof of earning 14 approved contact hours; OR
2. A national certification or re-certification related to the nurse’s practice role (in effect during the

whole period or initially earned during the period); OR

3. Completion of a nursing research project as principal investigator, co-investigator, or project director. Must be qualitative or quantitative in nature, utilize research methodology, and include a summary of the findings; OR
4. Publication of a nursing related article; OR
5. A professional nursing education presentation that is developed by the presenter, presented to nurses or other health professionals, and evidenced by a program brochure, course syllabi, or a letter from the offering provider identifying the licensee’s participation as the presenter of the offering; OR
6. Participation as a preceptor for at least one nursing student or new employee undergoing orientation (must be for at least 120 hours, have a one-to-one relationship with student or employee, may precept more than one student during the 120 hours, and preceptorship shall be evidenced by written documentation from the educational institution or preceptor’s supervisor); OR
7. Proof of earning seven approved contact hours, PLUS a nursing employment evaluation that is satisfactory for continued employment (must be signed by supervisor with the name, address, and phone number of the employer included), and cover at least six months of the earning period.
8. Certain college credit courses may be used to meet the CE requirements. Nursing courses, designated by a nursing course number, and courses in physical and social sciences such as Psychology, Biology, and Sociology will count toward CE hours. One semester credit hour equals 15 contact hours; one quarter

credit hour equals 12 contact hours.

Note: Prelicensure general education courses, either electives or designated to meet degree requirements, are NOT acceptable, nor are CPR/BLS, in-service education, nor nurse aide training. ACLS or PALS courses ARE acceptable for CE hours if given by an approved provider.

Advanced Practice Registered Nurse CE Requirements

Advanced Practice Registered Nurses (APRNs) must earn five contact hours in pharmacology each renewal period. APRNs with a CAPA-CS are required to earn 1.5 approved CE contact hours on the use of KASPER, pain management, or addiction disorders. These hours may count as part of the required pharmacology hours.

Sexual Assault Nurse Examiner CE Requirements

Sexual Assault Nurse Examiners (SANE) credentialed nurses must earn five contact hours of approved sexual assault CE each renewal period. Forensic medicine or domestic violence CE will meet this requirement.

Individual Review of Offerings Presented by Organizations not Recognized by the Board

Contact the KBN office or visit the KBN website (<http://kbn.ky.gov/ce/ceformspubs.htm>) to obtain an Individual Request for Review of CE Activities application; complete and return to the Board office with requested materials and application fee of \$10. Within about six weeks of receipt of the submitted materials, KBN will notify the individual of the review outcome, i.e. approval or rejection. A notification of CE/competency approval should be retained for a minimum of five years. Individual review is not required if an offering is approved for continuing education by an organization recognized by the Board (refer to <http://kbn.ky.gov/ce/natlorgs.htm>).

Note: Individual review applications must be submitted to the Board by November 30 of the licensure year.

CE EXEMPTION ELIMINATED IN 2012

The CE exemption for new licensees

at the time of their first renewal was eliminated in 2012. First time renewing nurses are subject to the same CE requirements as all other KY nurses – 14 contact hours; however, proof of a job orientation can be used to meet 7 of those required contact hours.

MARSHALL UNIVERSITY

MSN Online

Choose your path to success! The programs are designed with the working nurse in mind.

Have you thought about pursuing a career in Nursing Education?
As an RN, the Marshall MSN degree program is for you!

- Prepare and work in a collegial environment where there are many job opportunities now and in the future.
- Scholarship opportunities are available.

Or maybe you would like to pursue a career in Administration?
Enroll in our MSN Administration Program.

- Prepare to function in a variety of administrative or managerial positions in a variety of healthcare settings.
- Develop critical leadership skills which will allow you to make an impact in today's complex healthcare environment.

RN to BSN Online

Education in a supportive setting. Marshall's RN to BSN Program combines quality education with flexibility and personal attention to student needs.

- An active RN License is required. New graduates have one semester to complete this requirement.
- Total of 120 credit hours required for graduation.
- Opportunities for further graduate level education.

- Online classes
- Affordable tuition
- Highly qualified faculty
- Full or part time study available
- Accredited by ACEN

by **Patricia Y. Smith RN**, Compliance Section Supervisor

Nursing Practice law requires all convictions – practice and non-practice convictions - be reported to the Kentucky Board of Nursing Board (KBN) within ninety (90) days of the conviction. Nurses should fully understand the Conviction Reporting requirements to avoid disciplinary action and related civil fines. KBN seeks to provide nurses the information needed to report convictions as required.

If a conviction is not reported to the Board as required by law, the nurse may be subjected to disciplinary action against his or her license and assessed a civil penalty. This lack of reporting may also slow down the licensure process and delay renewal or reinstatement.

Nurses should know that required reporting applies to convictions that were received in past years, received prior to licensure, received outside of Kentucky or were not job-related. Every conviction has to be reported other than minor traffic violations such as speeding violations.

Applicable State Law

Kentucky Revised Statutes (KRS) require:

KRS 314.109 Notification of board of any criminal conviction: Any person under the jurisdiction of the board shall, within ninety (90) days of entry of an order or judgment, notify the board in writing of any misdemeanor or felony criminal conviction, except traffic-related misdemeanors other than operating a motor vehicle under the influence of drugs or alcohol, in this or any other jurisdiction.

KRS 314.011 (21) "Conviction" means but is not limited to:

- (a) An unvacated adjudication of guilt;
- (b) Pleading no contest or nolo contendere or entering an Alford plea; or
- (c) Entering a guilty plea pursuant to a pretrial diversion order;

Regardless of whether the penalty is rebated, suspended, or probated.

Conviction Reporting FAQs

The following are excerpts from the Criminal Conviction Brochure that is available on the Kentucky Board of Nursing website:

What criminal convictions must I report to the Kentucky Board of Nursing?

The Kentucky Nursing Laws require that ALL misdemeanor and felony convictions occurring in Kentucky or any other state, regardless of when they occurred, must be reported to the Kentucky Board of Nursing (KBN). Federal and military convictions must also be reported. Any person

licensed/credentialed by KBN shall, within ninety (90) days of entry of the final judgment, notify KBN in writing of any misdemeanor or felony criminal conviction in this or any other jurisdiction. Upon learning of any failure to notify KBN under this section, KBN may initiate disciplinary action under KRS 314.089.

What is the Board's definition of a conviction?

KRS Chapter 314.011(22) defines a conviction as the following: (a) An unvacated adjudication of guilt; (b) Pleading no contest or nolo contendere or entering an Alford plea; or (c) Entering a guilty plea pursuant to a pretrial diversion order; Regardless of whether the penalty is rebated, suspended, or probated. You should contact the court to determine whether the above definition of conviction applies to you.

How do I know whether I've been convicted of a crime?

You have been convicted if you have pled guilty to, entered an Alford plea or Nolo Contendere plea, have entered into a pre-trial diversion program or were found guilty of a criminal offense in any court. You should contact the court to determine whether the conviction was a violation, misdemeanor or felony offense.

What if my charge was dismissed?

You are not required to report charges that have been dismissed by the court.

Do I report convictions when I was a juvenile?

Juvenile convictions that occurred when you were under the age of 18 do not need to be reported unless you were convicted as an adult.

How will my conviction be reviewed?

There are three methods of criminal conviction review:

1. Staff Member Review
2. Board Member Review
3. Credentials Review Panel

A determination will be made to request additional information, request a personal interview with you or approve your application.

How long will it take for my conviction to be reviewed?

It may take up to three or more months to review your information. You may be contacted by mail if additional information is needed.

Will my conviction make me ineligible for a nursing license?

Not necessarily. The statute states that KBN may take action on criminal convictions that bear directly on an individual's qualifications or ability to practice nursing. The regulation clarifies that the type of convictions referred to are those that involve dishonesty, substance abuse, sexual offenses, breach of trust, danger to the public safety, or physical harm or endangerment.

Can I be denied licensure?

Yes. KBN can deny a license for criminal conviction(s).

What if I am denied licensure, what can I do?

You may request a formal hearing before a KBN hearing panel. Your request must be in writing:

- o You will be notified of the date, time, and location of the hearing
- o You may bring legal counsel
- o The panel will make a recommendation regarding the approval or Denial of your application for licensure.

Will a Denial of licensure be on my permanent KBN record?

Yes. Denial of licensure is a formal disciplinary action. The Denial will be published in the KBN Connection and reported to the National Council of State Boards of Nursing's Disciplinary Data Bank.

What if KBN previously reviewed my conviction?

Attach a letter of explanation to the application to inform KBN about previous conviction reviews.

What documents do I need to submit to the Board when reporting my conviction(s)?

For felony conviction(s):

- o Submit a letter of explanation for each conviction
- o Provide certified copy of court records

For misdemeanor conviction(s) and (DUI) conviction(s) five (5) years old or less:

- o Submit a letter of explanation for each conviction
- o Provide certified copy of court records

For misdemeanor conviction(s) and (DUI) conviction(s) over five (5) years old:

- o No documentation required

When do I send the information to KBN?

The letter of explanation and certified copy of the court record must accompany your letter of self-report and/or your application.

What is the letter of explanation?

The letter of explanation is a personally written summary of the events that led to your conviction. It gives you the opportunity to tell what happened and to explain the circumstances that led to your conviction.

Where do I get the certified copy of the court record?

You should contact the court clerk in the county where the conviction occurred to obtain a certified copy of the court record. The certification verifies the conviction, date of the conviction and the judgment entered against you.

What if the court can't find a record of my conviction?

If a court record has been "purged" or expunged, you may submit a statement from the court to affirm that the physical record no longer exists. This statement will be accepted in lieu of the court record.

What additional information may be requested from me?

The most frequently requested information is proof of compliance with a court ordered alcohol education/treatment program or of successful completion of a court ordered probation.

Do I report a conviction that has been appealed?

You should report the appealed conviction to the KBN.

Will KBN verify my criminal history?

Yes. KBN requires a state and federal criminal history search on applicants. The record search is NOT the official court record. Discrepancies related to criminal convictions or failure to report a criminal conviction will delay the processing of the application.

What if I fail to report a conviction(s)?

Failing to report a conviction on your application, or failing to report a conviction within ninety (90) days of entry of the final judgment is a violation of the nursing law and you could be subjected to disciplinary action. In some situations the Board may issue a consent decree. A consent decree is not "formal" disciplinary action taken by the Board. The consent decree will consist of the applicant paying a civil penalty to the Board.

Questions? For further information, please contact Christina Sherlock (502-429-3308 or Christina.Sherlock@ky.gov), or Wendy Wingham (502-429-3324 or Wendy.Wingham@ky.gov).

DISCIPLINARY Actions

Since the publication of the Winter edition of the KBN Connection, the Board has taken the following actions related to disciplinary matters as authorized by the Kentucky Nursing Laws. A report that contains a more extensive list of disciplinary actions is available on the KBN website (<http://kbn.ky.gov/conprotect/investdiscp/disciplinary.htm>). If you need additional information, contact KBN's Consumer Protection Branch at 502-429-3300.

TAKE YOUR CAREER TO THE NEXT LEVEL

MEDICAL-SURGICAL AND OB/PEDS Sellersburg Campus

DESCRIPTION: The primary responsibility of full-time faculty at Ivy Tech is to provide quality instruction for the student by employing teaching/learning processes and strategies that promote student learning. This goal is accomplished by working with the student in classrooms and laboratories, individual conference and other related activities that help the student develop interests and abilities to his or her fullest capacity.

REQUIREMENTS: Master of Science in Nursing degree required with evidence of professional and community service, and college service outside of teaching and administrative assignments. Must be a Registered Nurse licensed in Indiana/Kentucky, and has two years of directly related work experience. At least 2 years full time equivalency teaching in higher education. Additional experience in Medical-Surgical nursing preferred.

For more information and to apply for this position, please go to <http://jobs.ivytech.edu>

HIGHLIGHTS OF BOARD ACTIONS

AUGUST 21, 2013

PRESIDENT'S REPORT

Sally Baxter reported on the National Council State Boards of Nursing (NCSBN) Annual Meeting that she and Jimmy Isenberg attended.

FINANCIAL OFFICER'S REPORT

The Report of the Financial Officer was accepted as presented.

EXECUTIVE DIRECTOR'S REPORT

The Report of the Executive Director was presented and included information on administrative staff; Disciplinary Hearings; Commonwealth Office of Technology (COT) IT Initiative; 2015-2016 Biennial Budget Preparation; NCSBN Executive Officer Summit; NCSBN Executive Officer Forum; Council on Licensure, Enforcement and Regulation (CLEAR); Legal Matters; Administrative Regulation Information; License, Registration and Credential Statistical Reports; Kentucky Alternative Recovery Effort (KARE) Statistics; Investigation & Discipline Section Report; Sexual Assault Offender Registry; and a Report on Approved Agreed Orders, Consent Decrees, Removal from Probation; The report was accepted.

- Accepted the amendment to 201 KAR 20:411.
- Accepted the motion that due to concerns received following 201 KAR 20:400 Delegation of Nursing Acts to Unlicensed Person to contact the Joint Health and Welfare Committee to withdraw this regulation until KBN can consider the entire regulation further. The Chair of the Joint Committee shall be notified immediately. Seven (7) voted in favor of the motion. Five (5) opposed the motion.
- Accepted that the Board convene a taskforce of representatives from various stakeholders including but not limited to providers of support for community living facilities, representatives from the Cabinet for Health and Family Services (CHFS), professional nursing organizations and others, to gather data and study the issue of delegation of medication administration particularly injectable medication. This taskforce shall report its findings and recommendations to the KBN Practice Committee.
- Accepted that the Board convene a workgroup of experts and interested parties to develop the curriculum to train unlicensed persons in the school settings regarding injectable medications, insulin in particular. This workgroup shall report its findings and recommendations to the KBN Practice Committee.

EDUCATION COMMITTEE

- Accepted the motion that the Education Regulations to be sent back to committee for review of comments received.

PRACTICE COMMITTEE

- No report.

CONSUMER PROTECTION COMMITTEE

- No report.

ADVANCED PRACTICE REGISTERED NURSE COUNCIL

- Approved Elizabeth Archer-Nanda, Lucinda Jane Crager and reappointed Jessica Estes as members of the APRN Council.

DIALYSIS TECHNICIAN ADVISORY COUNCIL

- Approved Tamara Clark as a member of the Dialysis Technician Advisory Council.

KBN CONNECTION EDITORIAL PANEL

- No report

CREDENTIALS REVIEW PANEL

- Report approved. No recommendations.

GOVERNANCE PANEL

- No report

CONTROLLED SUBSTANCES FORMULARY DEVELOPMENT COMMITTEE

- No report.

DISCIPLINARY ACTION

Approved two (2) Proposed Decisions, as written, and received reports on the approval of 47 (forty-seven) Agreed Orders, 110 (one hundred and ten) Consent Decrees, and one (1) Removal of Licenses from Probation.

AUGUST 23, 2013

PRESIDENT'S REPORT

President Sally Baxter stated that the special meeting was being held to discuss the Board's decision to withdraw the Administrative Regulation 201 KAR 20:400 from the Health and Welfare Committee meeting on August 21, 2013. Ms. Baxter deferred to Paula Schenk and Nathan Goldman for further explanation.

- Approved the motion to proceed with development of Administrative Regulation 201 KAR 20:405 with revisions be sent to the Practice Committee.
- Approved the motion to submit an Emergency Regulation pending Board approval of Administrative Regulation 201 KAR 20:405.
- Approved the motion to allow the staff to make revisions to the letter to the Senators and Representatives on the Health and Welfare Committee and the Administrative Regulation Review Subcommittee.
- Accepted the talking points as amended.

PERMIT NO. 1884

It's a new day.

Let's rise. Let's shine.

As we look toward the horizon of healthcare in our region we are inventing a new future for those we serve. We are rising to meet the medical needs of this community while exceeding national expectations.

We'll rise just like we always have – as we humbly serve in this community we all call home. And, we'll shine by harnessing the vision of sharp, talented, committed caregivers who provide medical excellence with compassion, empathy and hearts that genuinely care.

For those in medicine who want a greater challenge, a greater community in which to live, work and raise their families – apply yourself here...

Because at Owensboro Health the future looks bright, and we're gladly rising to meet it.
