

- Maintain current national certification,
- Earn 5 hours in pharmacology.

If an APRN holds both a KY RN & APRN license and they are prescribing controlled substances, they need to:

- Maintain current national certification,
- Earn 3.5 hours in pharmacology, and
- Earn 1.5 hours on the use of KASPER, pain management, or addiction disorders.

All Advanced Practice Registered Nurses must complete 5 continuing education hours in pharmacology as part of the continuing competency requirement for renewal. **DO NOT** submit evidence of continuing competency earnings unless requested to do so.

Current national certification from a Board recognized national certification organization in addition to current APRN and RN licensure is required to practice as an APRN in Kentucky. If your national certification lapses for any period of time while your APRN license is current, you may not practice as an APRN during the period of lapsed certification. KBN does not give a grace period for lapsed national certification.

APRN POPULATION FOCI OF ONCOLOGY AND CRITICAL CARE

APRNs holding a current license with a population focus in oncology or critical care who fail to renew their APRN license in those foci will be unable to reinstate.

SANE RENEWAL

Before you will be able to renew your SANE credential, you must renew your RN license. When you have completed that process, proceed to the SANE link to renew your SANE credential. If you are a SANE and an APRN, renew your RN-APRN first (see above information) and then renew your SANE credential from the SANE link.

If your primary residence is in a compact state, you must provide the state name and the expiration date of the multistate RN license you hold before you will be able to renew your Kentucky SANE credential. You must keep your multistate RN license active in the state of your primary residence during the period of time that you practice as a SANE in Kentucky. If your multistate RN license lapses, you may not practice as a SANE in Kentucky,

even though your Kentucky SANE credential is current.

All Sexual Assault Nurse Examiners must complete 5 continuing education hours related to the role of the sexual assault nurse examiner as part of the continuing competency requirement for renewal. **DO NOT** submit evidence of continuing competency earnings unless requested to do so.

FAILURE TO RENEW

If you fail to renew by midnight, Eastern Time, October 31, or you fail to submit all requirements for renewal, you will be required to reinstate your license.

Before a license will be reinstated, KBN must receive:

- A reinstatement application and fee,
- Kentucky criminal history report (in all surnames you have ever used) from the Administrative Office of the Courts
- Federal background report from the FBI obtained via fingerprinting and
- Continuing Competency Requirements

ACTIVE DUTY MILITARY NURSES

KRS 36.450 and KRS 12.355 require KBN, upon request of an active duty military licensee and with the appropriate military documentation, to renew the license without the required renewal fee and continuing competency requirement.

The waiving of the renewal fee and continuing competency requirement does not restrict the license in any way. It is still considered full licensure.

Active duty military includes those nurses who are based state-side or deployed overseas.

Not included in these groups are individuals working for the Federal government, such as civilian VA nurses, public health nurses employed by the federal government, or National Guard nurses who are not on full, active duty.

KBN must receive one of the following before the license of active duty military nurses will be renewed:

- PCS Orders
- AF Form 899
- Mobilization Orders

You must complete the online renewal application in addition to providing copies of one of the above documents. Copies of the above may be faxed to 502-429-3336 or emailed to Ruby.King@ky.gov.

If you are a military nurse and are stationed state-side, you must renew your li-

cence during the renewal period and provide the documentation listed above. If you fail to provide the documentation and/or fail to submit the renewal application prior to October 31, you will have to meet all the requirements for reinstatement of a license(s).

If you are a military nurse and will be deployed overseas during the renewal period, you have two options:

1. Submit a copy to KBN of the official overseas deployment orders showing a return date to the United States. Your license will be renewed to reflect an expiration date through the renewal period that corresponds with your deployment orders. You are not required to submit a fee, and you are exempt from meeting the continuing competency requirement.
2. Do nothing until you are reassigned to the USA. You will have 90 days after your return to request the renewal of your license. You must submit a copy of the orders you receive for your reassignment to the United States. You will not be required to pay the renewal fee, and you will be exempt from meeting the continuing competency requirement.

FAILURE TO PROVIDE CURRENT CERTIFICATION

If KBN records reflect that an APRN's national certification has expired and the APRN fails to provide evidence of current certification/recertification, KBN will void the APRN license. When the license is voided, the APRN may not practice in the advanced practice role. This does not affect the RN license. An APRN whose license is voided for failure to provide evidence of current certification may reinstate the APRN license by meeting all of the requirements for reinstatement.

NATIONAL CERTIFICATION IN DUAL POPULATION FOCI

With the assistance of our Information Technology staff, KBN is now able to record the national certification information for those APRNs holding certification in two population foci. To practice in either or both areas, the national certification of each must be current. If the certification of both foci expires, the APRN license will be invalidated and the APRN must reinstate one or both foci. If the national certification of one population focus expires, the APRN may only practice in the focus area of the unexpired certification.

PRESCRIPTIVE AUTHORITY OF CONTROLLED SUBSTANCES

KBN now requires all APRNs holding a current CAPA-CS agreement to submit a copy of any and all DEA licenses held. If an APRN is prescribing controlled substances, they must have a Notification of a CAPA-CS on file with KBN, a KY DEA license, and a master KASPER account.

To determine if KBN has a copy of the Notification of a CAPA-CS or DEA license on file, you may go to the KBN web site and validate your license. If the Notification of a CAPA-CS has been received at KBN, the validation will note, "KBN has been notified that this APRN has entered into a Collaborative Agreement for Prescriptive Authority for Controlled Substances (CAPA-CS)." If this message does not appear and you have a current CAPA-CS agreement, you must provide a copy of the Notification of a CAPA-CS form to KBN. If the DEA license has been received at KBN, the validation will note, "DEA license on file."

A CAPA-CS may be rescinded by either the APRN or the physician. When a CAPA-CS is rescinded, KBN must be notified, using the "CAPA-CS Rescission" form located on the KBN web site.

For more information on the CAPA-CS requirements, go to <http://kbn.ky.gov/apply/Pages/APRN/aprn.aspx>.

AFFIRMATION OF KBN DOCUMENTS

Affirmation statements appear at the end of all KBN applications for licensure and other KBN forms. The attestation statement is a confirmation that the information provided is truthful and accurate.

Be sure to read the attestation carefully. The individual whose name is on the application or form is accountable for all information the document contains and for understanding the additional information contained within the attestation statement itself. Accountability extends not only for the purpose for filing the form, but may also be compared to information provided on other forms filed with KBN.

Allowing another party to complete and submit a KBN form does not relieve the nurse or applicant of the accountability for incorrect or inadequate information provided and may be the basis for disciplinary action for falsification of a Board of Nursing form.

Each individual nurse or applicant should complete all forms and applications submitted to KBN himself/herself.

CURRENT ADDRESS

Kentucky Nursing Laws require nurses to notify the Board of a change of address within thirty days of the change. Address changes made from the KBN web site update the Board's data base in real time. A change of address may also be mailed to the Board office. An address change form is located on the KBN web site.

ATTENTION SANE NURSES EVIDENCE COLLECTION KITS

Effective in 2014, SANE nurses should be aware that new evidence collection kits are being distributed. The new kits were designed with input from SANEs across the Commonwealth, and are designed to allow better evidence collection and better documentation of findings during the examination process.

CONTINUING COMPETENCY FAQs

By **Mary Stewart**, *Continuing Competency Program Coordinator*

Q: I was selected for the CE audit last year. I have friends that have been in nursing for many years but have never been selected. Why did I receive an audit letter and they did not?

A: Nurses receiving CE audit letters are chosen by random selection. The number of years one has been in nursing has nothing to do with the selection process.

Q: What will happen if I am audited, and I do not have the required contact hours?

A: You will be asked to earn the required hours and submit copies of the CE certificates to KBN along with a letter of explanation as to why these hours were earned late. Once this documentation is received and accepted by KBN, you will be allowed to enter into a Consent Decree with KBN and pay the required fine. If you refuse to earn the late hours and/or pay the fine, your records and audit response will be forwarded to the Investigation and Discipline Section of the Consumer Protection Branch for initiation of disciplinary action.

Q: What are the dates of the CE earning period for renewal of my nursing license?

A: Nurses are required to earn 14 contact hours or the equivalent within the yearly earning period of November 1st through October 31st. You may wish to view the CE brochure available on the KBN website (www.kbn.ky.gov) for additional earning information.

Q: My friend refers to the continuing education hours she earns as CEUs. I notice that you refer to them as contact hours. What is the difference in a CEU and a contact hour?

A: Contact hours refer to the stated amount of time an individual was present during a course. One contact hour is equal to 50 minutes of clock time. Continuing Education Unit (CEU) is the term used as the unit of measurement by colleges and universities to designate 10 contact hours. The terms contact hour and CEU cannot be used interchangeably. Kentucky and most nursing continuing education providers require offerings to be determined in contact hours.

Q: This is my first renewal of my Kentucky nursing license. Am I required to earn CE hours for this renewal?

A: Yes. All nurses that are required to renew their licenses are also required to earn 14 approved contact hours or the equivalent within the earning period (November 1st through October 31st). There is no exemption for first-time renewal.

Q: Is it true that I can use an employment evaluation for part of my CE hours?

A: Yes. A satisfactory employment evaluation or competency validation for your position as a nurse, that covers at least six months

of the earning period, can be used for seven contact hours. You must earn the other seven hours. Other acceptable ways to earn your CE hours can be found online (www.kbn.ky.gov/ce) under "Licensure Renewal Requirements."

Q: Do college courses count as CE hours?

A: Academic courses in nursing and health care, or social or physical sciences will count toward your CE requirement. One semester credit hour equals 15 contact hours. One quarter credit hour equals 12 contact hours. These courses count as CE for the earning period in which the course was completed.

Q: I have attended a CE course that is not offered by an approved CE provider. How can I get credit for these hours?

A: You may wish to submit an "Individual Request for Review of CE Activities," (www.kbn.ky.gov/ce/) under "CE Forms and Publications," to KBN requesting contact hours for this course. There is a non-refundable charge of \$10 for the review. You can also request an application form by contacting the KBN office at 800-305-2042, ext. 7191. Once submitted, your application will be reviewed and, if approved, the appropriate number of contact hours will be awarded. Applications must be submitted no later than November 30th of the licensure year.

Q: Are CE hours earned on the internet acceptable for licensure in Kentucky? If so, how many of the required 14 hours can be earned on the internet?

A: Internet CE courses are acceptable if offered by an approved CE provider. All 14 hours or any combination of the hours may be from internet providers.

Q: I understand that I can use my national nursing certification for the required 14 contact hours of CE. Is this correct?

A: If you have a national nursing certification or recertification related to your practice role that is in effect the whole earning period or earned initially this period, it will count for the required 14 contact hours for Kentucky licensure. NOTE: In addition to the national nursing certification, APRNs are required to earn five approved contact hours in pharmacology each earning period. APRNs with a CAPA-CS are required to earn 1.5 approved CE contact hours on the use of KASPER, pain management, or addiction disorders. These hours may count as part of the required pharmacology hours.

Q: I am required to take a class in CPR where I work. Will this CPR class count toward my CE requirement?

A: No. CPR and BLS classes, as well as in-service education and nurse aide training, do not count as CE hours.

Q: Will ACLS and PALS courses count toward my CE requirement?

A: If an approved provider offers the ACLS or PALS courses, the hours earned will be accepted by KBN. See the list of national nursing organizations recognized by KBN for continuing education offerings on the KBN website (www.kbn.ky.gov).

Q: Can a nurse substitute CME credits for nursing contact hours?

A: CME credits do not automatically transfer to contact hours. If you wish to earn contact hours for a course that awarded CME credit, you will need to go to the KBN CE Web page (www.kbn.ky.gov/ce/) under "CE Forms and Publications," and submit an "Individual Request for Review of CE Activities." APRNs are allowed to use CME credits for pharmacology continuing education if the provider offering the course is recognized by their national certifying organization.

Q: I have earned more CE hours this earning period than I need. Can these hours be used for my next renewal?

A: No. CE hours cannot be carried over to the next earning period. All 14 hours must be earned within the specified earning period.

Q: I understand Kentucky nurses are now required to complete a CE course in pediatric abusive head trauma. Please give me information about this requirement.

A: All nurses licensed as of July 15, 2010 must have earned 1.5 CE contact hours in pediatric abusive head trauma (shaken baby syndrome) by December 31, 2013. Nurses licensed after July 15, 2010 must complete this earning within 3 years of their initial licensure date. This one-time only requirement is included as part of the nursing curriculum for nurses graduating from a Kentucky Program of Nursing after December 2011.

Q: I am required to renew my license for the first time by October 31, 2015. Am I exempt from earning CE hours since it is my first renewal?

A: No. The CE exemption for new licensees at the time of their first renewal has been eliminated. All nurses renewing their license during the Sept. 15 through Oct. 31, 2015 renewal period are required to earn 14 contact hours or the equivalent. The earning period for these hours is Nov. 1, 2014 through October 31, 2015.

Q: Where can I find a list of approved CE providers?

A: You can print a copy of the KBN approved provider list from the KBN website (www.kbn.ky.gov) under "CE Forms and Publications" or you may request a copy of the list by contacting the KBN office at 800-305-2042, ext. 7191. In addition, a list of National Nurs-

ing Organizations recognized by KBN for continuing education is also provided on the KBN website. If a provider approved by one of these organizations offers a course you wish to take, that course will be accepted by KBN for the same number of contact hours.

Q: Does KBN have a record of the CE hours I have earned?

A: No. KBN does not keep track of each nurse's CE hours – that responsibility falls on the individual nurse. It is the responsibility of the CE provider to see that the nurse receives a certificate of completion, but the provider does not send a copy of the certificate to KBN. You are not required to submit CE certificates to KBN unless requested to do so through the CE audit. Nurses must retain records of their CE/competency for at least five (5) years following a licensure period.

Q: I understand there have been some changes in the HIV/AIDS CE requirements. How many HIV/AIDS contact hours must I earn, and what is the earning period?

A: Effective June 24, 2015, earning contact hours for HIV/AIDS Content is no longer required.

Q: I am an Advanced Practice Registered Nurse (APRN) in Kentucky. Are there any specific CE requirements for my registration renewal?

A: APRNs are required to earn five (5) contact hours of approved CE in pharmacology each licensure period.

The licensure earning period is November 1st through October 31st of the renewal year. In 2008, the regulation was amended to reflect that pharmacology CE hours can be earned from any provider that is recognized by your APRN accrediting body. It is the responsibility of the individual APRN to contact the certifying body for a complete and up-to-date list of recognized providers for their organization. APRNs with a CAPA-CS are required to earn 1.5 approved CE contact hours on the use of KASPER, pain management or addiction disorders. These hours may count as part of the required pharmacology hours.

Q: Are SANE-credentialed nurses required to earn specific CE hours in addition to the required 14 contact hours for RN renewal?

A: SANE-credentialed nurses are required to earn five (5) approved contact hours of approved sexual assault CE (forensic medicine or domestic violence CE will meet this requirement). These hours count as part of the required 14 hours for RN renewal. An APRN maintaining a SANE credential must earn five (5) contact hours in forensic medicine or domestic violence.

RESCISSION OF PREVIOUS APRN PRACTICE DECISION ON DEEP CENTRAL LINE PLACEMENT

By **Pamela C. Hagan, MSN, RN**
APRN Education and Practice Consultant

During the April 2015 meeting, the Board accepted the recommendation of the APRN Council and rescinded the previous advisory opinion that it is not within the scope of practice of the APRN, designated family nurse practitioner to insert deep central lines. The KBN further stated "An APRN should utilize the Kentucky Board of Nursing Guidelines for Determination of APRN Scope of Practice, and the Kentucky Board of Nursing Decision-Making Model for APRNs, to guide the APRN in the performance of deep central line placement." For more information, contact PamelaC.Hagan@ky.gov, APRN Education and Practice Consultant, 502-429-7181.

HIGHLIGHTS OF BOARD ACTIONS

December 5, 2014

OATH OF OFFICE

The Oath of Office was administered to newly appointed Board Member, Michelle Dunn.

PRESIDENT'S REPORT

No Report.

FINANCIAL OFFICER'S REPORT

The Report of the Financial Officer was presented and accepted.

EXECUTIVE DIRECTOR'S REPORT

The written Report of the Executive Director was presented and included information on Administrative Staff; Renewal Statistics Update; Kentucky Grant for Prescription Drug Abuse Prevention Program; Anti-Solicitation Legislation; Legal Matters; Administrative Regulation Information; License, Registration and Credential Statistical Reports; Kentucky Alternative Recovery Effort (KARE) Statistics; Investigation & Discipline Section Report; Presentations and Conferences Report; and a Report on Approved Agreed Orders, Consent Decrees, and Removals from Probation. The report was accepted.

EDUCATION COMMITTEE

The November 6, 2014 Education Committee Meeting Report was presented. The Report was accepted and the following actions were taken:

- Approved that Murray State University, Doctor of Nursing Practice/Advanced Practice Registered Nursing Program, be granted Full Approval Status for five (5) years until June 30, 2019.
- Accepted the Analysis Reports addressing factors leading to the less than 85% NCLEX pass rate for one year, from the following ten (10) programs of nursing:

(Gail Wise recused herself from discussion and voting regarding Kentucky Christian University.)

1. Big Sandy C&TC
ADN Program, Prestonburg
2. Big Sandy C&TC
PN Program, Mayo/Paintsville
3. ITT Technical Institute
ADN Program, Louisville
4. Southeast Kentucky C&TC
ADN Program, Cumberland
5. Kentucky Christian University
BSN Program, Grayson
6. Lindsey Wilson College
BSN Program, Columbia
7. Morehead State University
ADN Program, Morehead
8. Morehead State University
ADN Program, Mt. Sterling
9. Jefferson C&TC
ADN Program, Louisville
10. Jefferson C&TC, KCTCS
Online LPN to ADN, Louisville
Learn on Demand Program

- Accepted the September 30, October 1 & 2, 2014, Site Visit Report of Jefferson Community and Technical College (JCTC) Learn on Demand LPN-ADN Completion Program, Louisville.
- Directed that the Jefferson Community and Technical College Learn on Demand LPN-ADN Completion Program be placed on Monitoring Status. The decision was based upon 201 KAR 20:360. Evaluation of prelicensure RN and PN programs, and hav-

ing achieved Initial Approval Status but failing to meet 85% NCLEX-RN pass rate for first time testers for its first graduating class.

- Directed that while on Monitoring Status, Jefferson CTC KCTCS Online Learn on Demand LPN to ADN Program shall submit quarterly progress reports to the Board, including information on "at-risk" student remediation and analysis of Kaplan standardized tests aggregated results. The program

shall make progress to correct this deficiency by showing an upward trend in the future annual NCLEX-RN pass rate.

- Approved the Proposed Curriculum Revision submitted on October 16, 2014, by Deborah Smith-Clay, RN, Dean of Nursing, Beckfield College Associate Degree Nursing Program, Florence.
- Directed that following the implementation of the Curriculum Revision, Beckfield College Associate Degree Nursing Program, Florence, provide to the Board an evaluation of the outcomes of the revision through the first graduating class, in accordance with 201 KAR 20:320 Section 2 (8)(c).

PRACTICE COMMITTEE

The November 7, 2014 Practice Committee Meeting Report was presented. The Report was accepted and the following actions were taken:

- Received the Sedation Task Force Update
- Approved Advisory Opinion Statement (AOS) #32, Administration of Medications for Procedural Sedation and Analgesia by Nurses, as revised.
- Approved the Advisory Opinion that the performance of gastric band adjustment is not within the scope of licensed practical nursing practice.
- RN Scope of Practice in the Utilization of EKG/ECG/Doppler for Verification of Peripherally Inserted Central Catheters (PICC): Approved AOS #25, Peripheral Insertion of Central and Midline Intravenous Catheters by Nurses, as revised.

CREDENTIALS REVIEW PANEL

The Report of the Credentials Review Panel Meeting held November 7, 2014 was presented. The Report was accepted and no actions were taken.

GOVERNANCE COMMITTEE

The Report of the Governance Committee Meeting held November 6, 2014 was presented. The Report was accepted and the following actions were taken:

- Approved the proposed revisions to KRS Chapter 314 and directed that a sponsor be sought for introduction of proposed legislation in the 2015 Session of the General Assembly.
- Approved the draft "Kentucky Board of Nursing Strategic Plan 2015-2018" and the establishment of a working group of board members and staff to revise and refine the plan. The President shall appoint a number of board members and the Executive Director shall appoint a number of staff members to the working group. The goal is to have the revised plan to the Governance Committee March 2015 and to the Board April 2015.

CORRESPONDENCE

National College, Proposed Parallel Tract.

- Approved the establishment of "Parallel Tract" for students failing the specified fundamental course at outlined in the December 1, 2014 letter from Shirley Goff, RN, MSN, Program Administrator, Associate Degree Program of Nursing, National College, Pikeville.
- Approved a one-time increase in enrollment upon demonstrating that National College, Associate Degree Program

of Nursing, Pikeville, has sufficient resources to fulfill the standards established in 201 KAR 20:260 Section 3(1) (B).

- Required that following enrollment of students to this "Parallel Tract," a quarterly report on student progression for students in both tracts of the cohort (Fundamentals and Med-Surg 1), be submitted by National College, Associate Degree Program of Nursing, Pikeville, to the KBN Nursing Education Consultant.

Bellarmine University, Hiring Request.

- Advised that in response to correspondence received in November 2014, from Barbara Lee, MSN, RN, BSN Chairperson, Lansing School of Nursing & Health Science, Bellarmine University, Louisville, the faculty applicant could be hired as non-nurse faculty for the Nursing Course 455 – Leadership and Management in Health Care; and a faculty waiver pursuant to 201 KAR 20:310 Faculty for prelicensure RN and PN programs, Section 6, is not required.

DISCIPLINARY ACTION

Approved fifteen (15) Recommended Orders, as written, and received reports on the approval of thirty-eight (38) Agreed Orders, thirty-seven (37) Consent Decrees, and two (2) Removal of Licenses from Probation.

March 20, 2015

PRESIDENT'S REPORT

The Nominating Committee for the 2015-2016 KBN Board Offices was announced. The report included information on the National Council of State Boards of Nursing (NCSBN) Midyear Meeting; the revisions to 201 KAR 20:240 Fees for applications and for services passed the Administrative Regulation Review Subcommittee; Council on Licensure Enforcement and Regulation (CLEAR) conference; and the NCSBN Special Called Delegate Assembly for consideration of the revised Nurse Licensure Compact.

FINANCIAL OFFICER'S REPORT

The Report of the Financial Officer was presented and accepted.

EXECUTIVE DIRECTOR'S REPORT

The written Report of the Executive Director was presented and included information on Administrative Staff; Proposed Revisions to the Nurse Licensure Compact and Proposed Advanced Practice Registered Nurse Compact (CRT Revisions for NLC Alignment); 201 KAR 20:240 Fees for Services; US Department of Health and Human Services, Health Resources and Services Administration, December 2014 Report; Journal of Nursing Regulation; 2015 Environmental Scan; Citizen Advocacy Center; 2014 NCLEX Pass Rate Report; Legal Matters; Administrative Regulation Information; License, Registration and Credential Statistical Reports; Kentucky Alternative Recovery Effort (KARE) Statistics; Investigation & Discipline Section Report; Presentations and Conferences Report; and a Report on Approved Agreed Orders, Consent Decrees, and Removals from Probation. The report was accepted and the following actions were taken:

- Directed that implementation of the proposed increase in licensure fees pursuant to 201 KAR 20:240 Fees for Services occur no earlier than July 1, 2015.

- Approved the 2014 NCLEX-RN and NCLEX-PN Pass Rates report and referred the report to the Education Committee.
- Approved the motion to vote for the revised Nurse Licensure Compact (NLC2) at the NCSBN Special Delegate Assembly being held on May 4, 2015.
- Approved the motion to have Paula Schenk and Nathan Goldman as the Special Delegates representing KBN at the Special Delegate Assembly.
- Approved the motion to support the revised APRN Compact at the NCSBN Special Delegate Assembly being held May 4, 2015.

EDUCATION COMMITTEE

The January 15, 2015 Education Committee Meeting Report was presented. The Report was accepted and the following actions were taken:

- Accepted the site visit report of November 12-14, 2014 to the Associate Degree Nursing Program, University of Pikeville.
- Approved the recommendations and Requirements to be Met as stated in the November 12-14, 2014 Site Visit Report of the Associate Degree Nursing Program, University of Pikeville. Directed that a plan of action for meeting the requirements be submitted by April 1, 2015 to the KBN Nursing Education Consultant.
- Approved that the Elizabeth Akers Elliott School of Nursing, Associate Degree Nursing Program, University of Pikeville, be retained on Full Approval Status.
- Accepted the Analysis Reports addressing factors leading to the less than 85% NCLEX Pass Rate for one year, from the following five (5) Programs of Nursing:
 1. Ashland Community & Technical College PN Program, Ashland
 2. Henderson Community College ADN Program, Henderson
 3. Madisonville Community College ADN Program, Madisonville
 4. Somerset Community College ADN Program, Laurel/London
 5. Morehead State University BSN Program, Morehead
- Approved the proposed curriculum revision submitted on November 18, 2014, by Deborah Smith-Clay, Dean of Nursing, Beckfield College Practical Nursing Program, Florence.
- Directed that following the implementation of the curriculum revision, Beckfield College Practical Nursing Program, Florence, provide to the Board an evaluation of the outcomes of the revision through the first graduating class, in accordance with 201 KAR 20:320 Section 2(8)(c).

CORRESPONDENCE

- Approved the request that Dr. Simpson's appointment as Interim Dean of the School of Nursing at the University of Pikeville (Upike) be extended until June 30, 2015.

PRACTICE COMMITTEE

The January 16, 2015 Practice Committee Meeting Report was presented. The Report was accepted and the following actions were taken:

- Approved the proposed revision to AOS #3, Recommended Course Content in Intravenous (IV) Therapy for Registered Nurses and Licensed Practical Nurses.
- Retired AOS #38, Facilitation of Self Administration of Medications in a Non-Healthcare Setting.
- Approved the proposed revision to AOS #24, Patient Abandonment by Nurses.
- An update was provided on the January 22, 2015 Central Line Task Force meeting.

ADVANCED PRACTICE REGISTERED NURSE COUNCIL

The December 18, 2014 Advanced Practice Registered Nurse Council Meeting Report was presented. The Report was accepted and the following actions were taken:

- Approved the revised "Advanced Practice Registered Nurse Council Scope and Functions" Statement.
- Approved the revised "2014-2015 Advanced Practice Registered Nurse Council Objectives".
- Approved that KBN endorse the "Association of Perioperative Registered Nurses (AORN) Position Statement on Advanced Practice Registered Nurses in the Perioperative Environment".
- Approved that KBN endorse the "Emergency Nurses Association (ENA) Advanced Practice in Emergency Nursing Position Statement".

CREDENTIALS REVIEW PANEL

The Report of the Credentials Review Panel Meeting held December 5, 2014 and January 16, 2015 were presented. The Reports were accepted and no actions were taken.

CONTROLLED SUBSTANCES FORMULARY DEVELOPMENT COMMITTEE

The December 18, 2014 Controlled Substances Formulary Development Committee Meeting Report was accepted and the following action was taken:

- Referred to the Advanced Practice Registered Nurse Council for discussion the recommendation that KBN promulgate an administrative regulation as it relates to APRN practice and the prescription of amphetamine and amphetamine-like anorectic controlled substances.

DISCIPLINARY ACTION

Approved fourteen (14) Recommended Orders, as written, and received reports on the approval of thirty-six (36) Agreed Orders, one hundred and forty-seven (147) Consent Decrees, and two (2) Removal of Licenses from Probation.

April 17, 2015

2015-2016 BOARD OFFICER ELECTIONS

The election of 2015-2016 KBN Board Officers was held. The election results were as follows:

President: Gail Wise

Vice President: Jimmy Isenberg

Secretary: Christe Coe

Financial Officer: Sonia Rudolph

FINANCIAL OFFICER'S REPORT

The Report of the Financial Officer was presented and accepted.

EXECUTIVE DIRECTOR'S REPORT

The written Report of the Executive Director was presented and included information on Administrative Staff; Electronic Federal Biometric Criminal Background Checks; Kentucky Nurse Capacity Consortium; Community Health Worker Task Force; Cabinet for Health and Family Services Statewide Innovation Model; Online Payment of Licensure Fees; KBN 2013-2014 Annual Report; Kentucky Injury Prevention and Research Center – Letter of Support; Nurse Licensure Compact Administrator Executive Committee; Tech Workgroup; Legal Matters; Administrative Regulation Information; License, Registration and Credential Statistical Reports; Kentucky Alternative Recovery Effort (KARE) Statistics; Investigation & Discipline Section Report; Presentations and Conferences Report; and a Report on Approved Agreed Orders, Consent Decrees, and Removals from Probation. The report was accepted.

- Approved the Motion to Amend the March 19, 2015 Education Committee Meeting Report by deleting “the recommendation for the Spencerian College Associate Degree Nursing Program, Louisville, to remain on Full Approval Status,” and adding the following: Having considered the January 13, 2015 KBN Site Visit Report, and the 2014 NCLEX Pass Rate of less than 85% for one consecutive year, Spencerian College ADN Program, Louisville, be granted Monitoring Status designation for 2015, in compliance with 201 KAR 20:360. Evaluation of prelicensure registered nurse and practical nurse programs, Section 1.3(b)3.
- Accepted the February 23 & 24, 2015 Site Visit Report of the University of Louisville-Owensboro Extension Baccalaureate Nursing Degree Program, Owensboro.
- Approved the recommendation as stated in the February 23 & 24, 2015 Site Visit Report of the University of Louisville-Owensboro Extension Baccalaureate Nursing Degree Program, Owensboro.
- Approved that Full Approval Status be granted to the University of Louisville-Owensboro Extension Baccalaureate Nursing Degree Program, Owensboro.

ADVANCED PRACTICE REGISTERED NURSE COUNCIL

The March 27, 2015 Advanced Practice Registered Nurse Council Meeting Report was presented. The Report was accepted and the following actions were taken:

- Approved the Kentucky Board of Nursing Guidelines for Determination of APRN Scope of Practice, and the Kentucky Board of Nursing Scope of Practice Decision-Making Model for APRNs.
- Rescinded the previous Advisory Opinion on the Placement of Deep Central Lines by APRNs, Designated Family Nurse Practitioners. An APRN should utilize the Kentucky Board of Nursing Guidelines for Determination of APRN Scope of Practice, and the Kentucky Board of Nursing Decision-Making Model for APRNs, to guide the APRN in the performance of deep central line placement.
- Approved the promulgation of the proposed new regulation, 201 KAR 20:063 Restrictions on use of amphetamine-like anorectic controlled substances.
- Tabled the issue of determining whether the prescribing of buprenorphine for chronic pain management is within the Scope of Practice of the Advanced Practice Registered Nurse.

COLLABORATIVE PRESCRIBING AGREEMENT JOINT ADVISORY COMMITTEE (CAPA-COM)

The April 1, 2015 CAPA-COM Meeting Report was presented. The Report was accepted and the following actions were taken:

- Approved the Collaborative Agreement for Advanced Practice Registered Nurse Prescriptive Authority for Non-Scheduled Drugs (CAPA-NS) Form developed by the Kentucky Coalition of Nurse Practitioners and Nurse

Midwives, as cited in KRS 314.196 by the Kentucky Board of Nursing.

PRACTICE COMMITTEE

The March 19, 2015 Practice Committee Meeting Report was accepted and the following actions were taken:

- Approved an advisory opinion regarding the performance of dynamic endocrine testing by licensed practical nurses, as follows:
It is within the scope of licensed practical nursing practice for an LPN, who

MOUNT ST. JOSEPH

DNP Degree Program
Health Systems Leadership

Mount St. Joseph University is committed to providing an educational and employment environment free from discrimination or harassment on the basis of race, color, national origin, religion, sex, age, disability, sexual orientation or other minority or protected status. Visit www.msj.edu/non-discrimination for the full policy and contact information.

www.msj.edu/dnp | 513-244-4807 | msndnp@msj.edu

is educationally prepared and currently clinically competent to perform dynamic endocrine testing under the onsite supervision of a physician, APRN or registered nurse in accordance with 201 KAR 20:490 Licensed Practical Nurse intravenous therapy scope of practice. There should be documented evidence of the LPN's educational preparation and current clinical competence. The LPN would be expected to follow written policy and procedures and evidence-based protocols agreed upon by the medical and nursing staff and formally adopted by the facility or organization.

Dynamic endocrine testing refers to the practice of introducing a provocative or suppressive agent or situation and monitoring the hormonal response. <http://www.mayo-clinic.org/documents/mc5810-0612-pdf/doc-20079201>.

- Registered Nursing Scope of Practice in the Pronouncement of Death. Approved that the term "maintained" as used in KRS 314.181 and KRS 446.400 be interpreted to mean that artificial respiration and circulatory support are in use and result in the patient having a heartbeat and vital signs. Therefore if a heartbeat and vital signs are not present even in the presence of previous artificial respiration and circulatory support and the patient is not to be resuscitated per MD or family, the nurse may pronounce death.
- Approved the proposed revision to AOS #19, Responsibility and Accountability of Nurses for Patient Care Assignments and Nursing Care Delivery.
- Approved the proposed revision AOS #17, Roles of Nurses in the Administration of "PRN" Medication and Placebos.
- Approved the proposed revision to AOS #33, Roles of Nursing in the Delegation of Tasks to Paramedics in a Hospital Emergency Department.
- Approved the proposed revision to AOS #18, Employment of Nursing Students as Nursing Personnel Using Either an Academic or a "Nurses Extern" Service Model.

CONSUMER PROTECTION COMMITTEE

The March 19, 2015 Consumer Protection Committee Meeting Report was accepted and the following actions were taken:

- Approved that a referral be made to the Education Committee to inquire about the level of training/education related to substance use disorder in nursing programs.

CREDENTIALS REVIEW PANEL

The Report of the Credentials Review Panel

Meeting held March 20, 2015 was accepted and no actions were taken.

GOVERNANCE COMMITTEE

The March 19, 2015 Governance Committee Meeting Report was accepted and the following actions were taken:

- Approved one day board meetings to be scheduled in 2016 on Thursdays.
- Approved that the 2015 KBN Retreat be held on October 16, 2015 following the October Board Meeting which will be held on October 15, 2015 and that the retreat be held at a location to be determined in Louisville.

DISCIPLINARY ACTION

- Approved zero (0) Recommended Orders, as written, and received reports on the approval of sixteen (16) Agreed Orders, twenty-five (25) Consent Decrees, and two (2) Removal of Licenses from Probation.

June 12, 2015

FINANCIAL OFFICER'S REPORT

The Report of the Financial Officer was accepted and the following actions were taken:

- Approved the recommendation funding for 185 NISF Awards (31 continuation and 154 new awards, respectively).
- Total funding for FY 2015-2016 NISF Awards are projected to be \$495,000.

EXECUTIVE DIRECTOR'S REPORT

The written Report of the Executive Director was presented and included information on Administrative Staff; Educational Sessions; Limited Services Clinics – Stakeholders Meeting; Kentucky Cabinet for Health and Family Services (CHFS) State Innovation Model (SIM) Design Project – Increased Access Workgroup and Integrated and Coordinated Care Workgroup; Community Health Worker Task Force; Sexual Assault Response Team (SART) Advisory Committee – Sub-Committee on SANE Regulation and Practice; Legal Matters; Administrative Regulation Information; License, Registration and Credential Statistical Reports; Kentucky Alternative Recovery Effort (KARE) Statistics; Sex Offender Report; Investigation & Discipline Section Report; Presentations and Conferences Report; and a Report on Approved Agreed Orders, Consent Decrees, and Removals from Probation. The report was accepted.

CORRESPONDENCE

- Approved the request for an increase in enrollment of 20 students per fall and spring semesters for the University of Kentucky, Lexington, BSN program.
- Approved the extension for Deborah Smith-Clay as the interim program

administrator at Beckfield College, Florence, PN Program. Additional information will be required if another extension is requested.

EDUCATION COMMITTEE

The May 14, 2015 Education Committee Meeting Report was accepted and the following actions were taken:

- Accepted the March 23 & 24 2015 Site Visit Report of the Thomas More College Baccalaureate Nursing Degree Program, Crestview Hills.
- Approved the Requirements to be Met as stated in the March 23 & 24, 2015 Site Visit Report of the Thomas More College Baccalaureate Nursing Degree Program.
- Approved that Full Approval Status be retained by the Thomas More College Baccalaureate Nursing Degree Program, Crestview Hills.
- Accepted the April 13, 2015 Site Visit Report of the ATA College Practical Nursing Program, Louisville.
- Approved the Requirements to be Met as stated in the April 13, 2015 Site Visit Report of the ATA College, Practical Nursing Program.
- Approved that Full Approval Status be retained by the ATA College Practical Nursing Program, Louisville.
- Accepted the March 10 & 11, 2015 Site Visit Report of the Southcentral Kentucky Community and Technical College (SKYCTC) – Bowling Green Extension Associate Degree Nursing Program.
- Approved Full Approval Status be granted to the Southcentral Kentucky Community and Technical College (SKYCTC) – Bowling Green Extension Associate Degree Nursing Program.

(Jimmy Isenberg recused himself from discussion and voting regarding Southcentral Kentucky C&TC.)

- Accepted the continued ACEN Accreditation of Final Approval Status through the Fall 2022 for the Frontier Nursing University Doctor of Nursing Practice Degree Program (DNP), Hyden.
- Approved Final Approval Status through the Fall of 2019 for the Northern Kentucky University Doctor of Nursing Practice Degree Program (DNP), Highland Heights.
- Approved the proposal dated April 1, 2015, submitted by the University of Louisville School of Nursing, Louisville, for the development of:

- A) Doctor of Nursing Practice Degree Program (DNP), for the following population foci tracks:
1. Family Nurse Practitioner,
 2. Adult Gerontology Nurse Practitioner (Primary Care),
 3. Adult Gerontology Nurse Practitioner

(Acute Care),

4. Neonatal Nurse Practitioner, and
5. Psychiatric-Mental Nurse Practitioner (Across the Lifespan), and

B) Post-Master's (Post-APRN) DNP Degree Program in Population Health.

- Approved that Developmental Approval Status be granted the University of Louisville School of Nursing, Louisville, proposed Doctor of Nursing Practice Degree/APRN Program, for admission of a class no earlier than May 2016.
- Approved that Initial Approval Status be granted the University of Louisville School of Nursing, Louisville, proposed Post-Master's (Post-APRN) DNP Degree Program in Population Health, for admission of a class no earlier than May 2016.
- Approved the proposed curriculum revisions submitted on March 30, 2015, by Donna Combs, Program Administrator, Hazard Community and Technical College Associate Degree Nursing Program, Hazard.
- Directed that following the implementation of the curriculum revision, Hazard Community and Technical College Associate Degree Nursing Program, Hazard, provide to the Board an evaluation of the outcomes of those revisions through the first graduating class, in accordance with 201 KAR 20:320 Section 2(8)(c)
- Approved the Annual Report Form document for use by programs of nursing to document compliance pursuant to 201 KAR 20:360 Section 2(2).

PRACTICE COMMITTEE

The May 15, 2015 Practice Committee Meeting Report was accepted and the following actions were taken:

- Approved the proposed revision to AOS #25, Placement of Central Lines by Nurses.
- Approved, with editorial changes, the proposed revision to the Scope of Practice Determination Guidelines.
- Approved the proposed revision to AOS #28, Roles of Nurses in Endoscopic Procedures.
- Approved the proposed revision to AOS #37, Roles of Nurses in the Prescribing of Medications to Self or Family.

CREDENTIALS REVIEW PANEL

- The Reports of the Credentials Review Panel Meetings held April 17 and May 15, 2015 were presented. The Board accepted the Reports and no actions were taken.

GOVERNANCE COMMITTEE

The May 14, 2015 Governance Committee Meeting Report was accepted and the following actions were taken:

- Approved that the 2015 KBN Retreat be held at the University of Louisville Delphi

Center and that the format be a series of discussions on the following topics: impact of legalization of medical marijuana and regulatory implications, KBN role in the collection of nursing workforce data, 2016 KBN legislative agenda, and KBN Strategic Plan update.

- Approved that the 2016 KBN Conference not be held and that staff develop programs to be videotaped and placed on the KBN website. One such program could be a KBN update. Staff should also

investigate offering continuing education credit for these programs.

- Approved the revisions to KBN Operation Guideline EX-1, Guidelines for Conduct of Meetings.
- The Committee, after reviewing similar legal opinions, made the decision that proxy voting should not be allowed.
- Approved the revisions to 201:KAR 20:230 concerning criminal background checks for renewals.

NURSE LICENSE DEFENSE

Put our experience to work for you

We represent nurses in all types of KBN matters. However, the most common and critical time to seek help is when a nurse receives a Notice of Complaint letter, which begins an investigation. Proactive and effective representation from the beginning of an investigation by attorneys with extensive experience before the KBN can make the difference in avoiding discipline or litigation.

We have that experience. Call for a free consultation.

NOW HIRING RN's in most areas!

It's a new day.
Let's rise. Let's shine.

We are inventing a new future for those we serve.
We are rising to meet the medical needs of this
community while exceeding national expectations.

For those in medicine who want a greater challenge,
a greater community in which to live, work and raise
their families – apply yourself here...
