FOREIGN EDUCATED NURSES, INCLUDING NURSES EDUCATED IN CANADA

To be licensed by **EXAMINATION**, you must complete all of the following steps:

- **Apply to the Commission on Graduates of Foreign Nursing Schools (CGFNS) to complete their VisaScreen program.** The link for this website is: [www.cgfns.org](http://www.cgfns.org). The phone number is: (215)222-8454. The VisaScreen Certificate program does not have any relevance to your immigration status.

- **You may request to sit for the NCLEX examination instead of taking the CGFNS qualifying exam.** After you have met all qualifications with the exception of passing NCLEX and you have provided proof to KBN, we will then make you eligible to sit for NCLEX.

- **If your nursing education is determined by CGFNS to be equivalent to that of a United States Licensed Practical Nurse, you will NOT be eligible to take the CGFNS qualifying examination.** INSTEAD, you must request CGFNS to send this office a letter stating that you have met all requirements for the VisaScreen certificate except the examination. Upon receipt of that letter, KBN may make you eligible to sit for the NCLEX examination.

- **File a completed Application for Licensure by Examination with the Kentucky Board of Nursing with the required documentation and $125.00 fee.** I have attached additional information for you to review. If you have a social security number you may complete the application online at [www.kbn.ky.gov](http://www.kbn.ky.gov). Go to online service and select Universal applications. If you do not have a social security number you will be exempt from paying this fee. You will need to provide me with your address and a paper application will be mailed to you.

- **Submit a fingerprint card (issued by the Kentucky Board of Nursing) and the required fee of $13.25.**

- **Submit a Kentucky Criminal History Report received from the Administrative Office of the Courts.** To obtain a criminal history report, you can request one from the AOC website with payment. $27.00, by credit/debit card at [http://courts.ky.gov](http://courts.ky.gov) - click on Obtain a Criminal History Report. If you follow the attached instructions, the KBN will be able to retrieve the report from them.

- **Register with Pearson VUE to sit for the National Council Licensure Examination (NCLEX).** The link for this website is: [www.pearsonvue.com/nclex](http://www.pearsonvue.com/nclex)

- **When you have taken and passed the NCLEX examination, KBN will forward your results to CGFNS.** They will then issue the VisaScreen Certificate. Please fill out the attached 3rd Party Authorization form for you to sign and return to our office. This form will authorize KBN to release your NCLEX results to CGFNS.

- **Complete the Kentucky Jurisprudence Exam**
  - Click on the Application Status to access the link to the exam
  - Go to Jurisprudence Examination ([https://kbn.ky.gov/apply/Pages/jpexam.aspx](https://kbn.ky.gov/apply/Pages/jpexam.aspx)) for more information on the exam

- **Certified copies of all court records for each felony and/or misdemeanor EVER received (if applicable) AND Board certified copies of all records for each disciplinary action EVER received, AND any letters of explanation of any felony and/or misdemeanor convictions EVER received on any nursing license you EVER held (if applicable).**

- **A Provisional License may be issued without a social security number. A Social Security Number is required for permanent licensure.**

- **A permanent Kentucky license will be issued upon completion of all requirements set forth in the instruction sheets for Application for Licensure by Examination.**
The ICHP VisaScreen™: Visa Credentials Assessment and the Kentucky Board of Nursing

All candidates for RN and LPN licensure in Kentucky must pass the U.S. national licensing examination (NCLEX). The Kentucky Board of Nursing requires that internationally-educated candidates for RN and LPN licensure by examination and endorsement obtain a VisaScreen™ Certificate issued by the Commission on Graduates of Foreign Nursing Schools (CGFNS International). This Fact Sheet provides applicants with information regarding these requirements.

WHAT IS THE COMMISSION ON GRADUATES OF FOREIGN NURSING SCHOOLS (CGFNS INTERNATIONAL)?

CGFNS International is an immigration-neutral, nonprofit organization based in Philadelphia, Pennsylvania. The organization offers evaluation and assessment services such as the VisaScreen™: Visa Credentials Assessment for internationally-educated nurses applying for licensure in and immigration to the United States. CGFNS has more than 29 years of experience in credentials evaluation, and is the only credentials evaluation organization dedicated primarily to the credentialing of international nurses.

THE ICHP VISASECREEN ASSESSMENT

The Kentucky Board of Nursing requires candidates for RN and LPN licensure by examination and endorsement to have a VisaScreen™ Certificate. The VisaScreen Certificate is issued after a complete evaluation of a professional’s credentials and English proficiency to verify that he or she meets the minimum federal requirements. The Certificate must be received before the Kentucky Board of Nursing will issue a license to you. The International Commission on Healthcare Professions (ICHP), a division of CGFNS, administers this screening process, which is called the VisaScreen™: Visa Credentials Assessment. Minimum passing scores for the required English examinations are listed below.

Graduates of health professional programs in Australia, Canada (except Quebec), Ireland, New Zealand, the United Kingdom and the United States are exempt from the English language requirement of VisaScreen.

PLEASE READ CAREFULLY:

If you were licensed in a U.S. jurisdiction as a Registered or Licensed Practical/Vocational Nurse by exam (i.e., you have already passed the NCLEX-RN or NCLEX-PN) and wish to become licensed in that same profession in Kentucky, you are NOT EXEMPT from the CGFNS requirements. If you were licensed in another U.S. jurisdiction, whether by exam or endorsement, that did not require the VisaScreen Certificate, and you now wish to become licensed in Kentucky, you are required to complete the VisaScreen Assessment and obtain a VisaScreen Certificate.

REGISTERED NURSES APPLYING FOR LICENSURE BY EXAM: PLEASE READ CAREFULLY:

In order to qualify for the VisaScreen Certificate, registered nurses must pass either the NCLEX-RN or completion of the CGFNS Certification Program. The Kentucky Board of Nursing will make you eligible to take the NCLEX-RN once you have met all of the remaining requirements of VisaScreen. You will be required to provide the Kentucky Board of Nursing with a copy of your VisaScreen Assessment status letter issued by ICHP indicating that you have met all of the requirements of VisaScreen for successful completion of either the NCLEX-RN or the CGFNS Certification Program. Once you have taken and passed the NCLEX-RN, and provided the Kentucky Board of Nursing with written authorization, your NCLEX-RN examination results will be forwarded to ICHP by the Kentucky Board of Nursing so that you can obtain your VisaScreen Certificate. You must provide the Kentucky Board of Nursing with a copy of your VisaScreen Certificate before you will be issued a Kentucky RN license.

1 Details on the CGFNS Certification Program may be obtained on the CGFNS website at [www.cgfns.org](http://www.cgfns.org).
WHAT DO I DO WHEN I RECEIVE A VISASCREEN™ APPLICATION?

- The entire application packet and handbook for the VisaScreen: Visa Credentials Assessment is available on-line at www.cgfns.org. You may also apply directly on-line via the CGFNS On-Line Application System.

- After reading the entire application handbook, complete the "Application Form for VisaScreen Certificate" and send it, along with other requested documentation (such as your secondary/high school exam certificate or diploma) and full payment, to ICHP. Full payment for all services must be included with your Application.

- Complete and send the "Request for Academic Records" form to your nursing school(s) in order that your school completes this form and sends copies of your full academic records directly to ICHP.

- Complete and send the "Request for Validation of Registration/License" form to the licensing/registration authorities in your country of education, and to ALL other jurisdictions, internationally or within the United States, where you have ever been licensed, whether current, expired, active, inactive, etc. The licensing authority must complete this form and return it to ICHP. If your diploma authorizes the right to practice in your country, you must also forward this form to the institution that issued your diploma (school, Ministry of Health, etc.) and request that the completed form be mailed to ICHP.

- If you have taken and passed the NCLEX-RN examination, complete and send the "Request for Validation of Registration/License" form to the US Board of Nursing where you passed the exam.

- You must apply directly with the examining institution in order to schedule an examination date for the English proficiency examinations. All English scores must be sent directly to ICHP from the examining institution; ICHP will NOT accept an official score report submitted by the applicant or any third party. All English language proficiency scores are valid for up to two years from the date of administration, and must be valid at the time your VisaScreen application is approved.

- You will be contacted by ICHP by mail regarding the status of your application and the need for any outstanding documentation. You may also check the status of your file at any time at www.cgfns.org via the On-Line Application System.

You can request additional help regarding the ICHP VisaScreen: Visa Credentials Assessment by visiting the CGFNS website at www.cgfns.org or by writing to:

PLEASE READ CAREFULLY: All documentation sent to CGFNS must be sent by mail; CGFNS will NOT accept any application forms, or other academic or licensure documentation, by fax or email. All academic records and transcripts must be an original document sent by mail to CGFNS by your school, or, in the event that your school is closed, the institution designated as the official repository to hold that document. All registration/licensure documentation must be an original validation sent by mail by the issuing/licensing body. Transcripts and license validations will NOT be accepted if sent by any other source, even if they are contained in a sealed envelope. Documentation received from the issuing bodies that is not in English will be translated by CGFNS for an additional fee.

**FINGERPRINT USE AND CHALLENGE INFORMATION**

Identification records obtained from the FBI may be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency, or other authorized entity. If the information on the record is used to disqualify an applicant, the official making the determination of suitability for licensing or employment shall provide the applicant the opportunity to complete, or challenge the accuracy of, the information contained in the FBI identification record. The deciding official should not deny the license or employment based on the information in the record until the applicant has been afforded a reasonable time to correct or complete the information, or has declined to do so. An individual should be presumed not guilty of any charge/arrest for which there is no final disposition stated on the record or otherwise determined. If the applicant wishes to correct the record as it appears in the FBI's CJIS division records system, the applicant should be advised that the procedures to change, correct or update the record are set forth in Title 28, CFR, Section 16.34."
