In accordance with FBI policy, please read the following information regarding the use and dissemination/restriction of the fingerprint report obtained from the FBI:

**FINGERPRINT USE AND CHALLENGE INFORMATION**

"Under provisions set forth in Title 28, code of Federal Regulations (CFR), Section 50.12, both governmental and nongovernmental entities authorized to submit fingerprints and received FBI identification records must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. Identification records obtained from the FBI may be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency, or other authorized entity.
