

CLASS DESCRIPTION

The **Sexual Assault Nurse Examiner (SANE)** didactic course is provided over 5 days (40 hours) and satisfies the first portion of the KBN requirements for the SANE credential.

The second portion required for completion to SANE credentialing, is a 60-hour varied clinical experience. This can be coordinated through local or regional agencies/resources and through the assistance of local SANEs. The class will address sexual assault in adolescents, 14 years or older, and adults. There will be 40 CEU's for nurses attending the entire didactic portion.

Instruction manuals will be provided the first day of class.

The instructors will be local members of the SART, as well as, experts from the Office of the Fayette Commonwealth's Attorney and the Kentucky State Police Laboratory.

If the field of Forensics holds some interest for you, come and discover how you can become a member of the team and make a difference!

SANE TRAINING:

A **Sexual Assault Nurse Examiner (SANE)** is a registered nurse who has completed advanced education in the field of forensics specifically for sexual assault. A SANE conducts medico-legal/forensic examinations in which they collect, preserve, and document evidence. Critical thinking and detailed, precise documentation are skills developed to become an expert witness in these cases.

A **Sexual Assault Response Team (SART)** is a multidisciplinary team of professionals responsible for responding to victims of sexual assault both during the investigative and treatment phases of the case. Members of the team are law enforcement, advocates, SANEs, and prosecutors.
