Report CE/CME	Additional Options
Select CE cycle:	11/01/2019 - 10/31/2020 🗸
National Certif Report exemptio	ication related to the nurses practice role
LEARN MORE	
lf you hold a cui entire license pe your required 1	rrent national certification related to the nurse's practice role that was in effect during the eriod, or initially earned or renewed during the license period, the certification will satisfy 4 hours of CE.
This does not ir	clude clinical certifications such as ACLS, PALS, NRP, etc.

The **Learn More** button will give a brief explanation about the exemption.

Once you've determined you are eligible, click **Begin** to get started! Follow the prompts on each page and upload your supporting documents at the end.
