LPN/RN Renewal Instructions

THE 2023 KENTUCKY NURSE LICENSE RENEWAL PERIOD IS SEPTEMBER 15 THROUGH MIDNIGHT OCTOBER 31, 2023 (EDT). YOU ARE ENCOURAGED TO RENEW EARLY IN THE RENEWAL PERIOD!

Beginning midnight, EDT, September 15, 2023, you may access the online renewal application through your KBN Nurse Portal account to renew your Kentucky RN or LPN license.

**NOTE:** If you have not created a KBN Nurse Portal Account, you will not be able to access the renewal application until you do so. For more information on how to create an account, please access: Nurse Portal Instructions.

If you have already created an account, you will log into your Nurse Portal account and there will be a link ‘Apply for Renewal’ located next to your license number on the dashboard. Once you select the link it will open the 2023 renewal application.

If you have already established your Primary State of Residence (PSOR) in the nurse portal account and have uploaded the required document for proof of residence, you do not have to upload during renewal. Otherwise, you will be required to do so.

Workforce questions are included in the renewal application due to action taken by the Board and approved by the General Assembly in 2022. These questions are included to create a reliable workforce projection model for policymaking by the Board and legislators. The workforce information will be used for statistical purposes only, and personal information is not subject to Kentucky open records laws.

You will not be able to complete the renewal application process unless you respond to all of the workforce questions. Please note that clicking the Submit button on the online application form does not immediately renew your license. Renewal processing and approval times are dependent on the information provided by the applicant.

You will receive a confirmation message in your nurse portal once your renewal has been processed. You may validate the license within the KBN Nurse Portal, as well as through the License Verification Portal: https://kybn.boardsofnursing.org/licenselookup

If your license has not been renewed before midnight, EDT, October 31, your license will lapse. Working on a lapsed license is prohibited by Kentucky Nursing Law.

If you answered “yes” to the discipline, criminal, and/or the APRN national certification revocation questions, your license will not be renewed until KBN receives and reviews the required documents.

Licensees are required to maintain a current mailing and email address with KBN per KRS 314.107.
Continuing education contact hours must be earned during the period of November 1, 2022 – October 31, 2023. However, you do not have to complete the contact hours before submitting the renewal and paying the renewal fee for your license.

Please do not reply to this email. This mailbox is not monitored for replies.
