Relapse Prevention Plan

Participant Name: _____

Case Number: _____

- KARE for Nurses Program
- Probation

Please list five (5) triggers that you have identified that could lead to relapse:

1.
2.
3.
4.
5.

Please name three (3) people you can talk to if you feel out of control:

Name	Relation	Phone Number

*Please talk to these individuals as soon as possible to make sure you can contact them if, and when, needed regardless of the hour.

If I should relapse, I agree to do the following within twenty-four (24) hours of my relapse unless indicated otherwise. (Please add your own additional plans to this list.)

Check/Initial if applicable	To Do	Contact name and number
	Attend an AA/NA meeting	
	Call my sponsor	
	Contact my compliance nurse investigator	
	Contact my treatment provider and return to treatment	

Participant Name: _____

What is your biggest fear regarding relapse?

Why do you want to live a clean and sober life?
