[2023 SANE Course Application](#)

The 2023 UofL Health SANE training for interested RNs will be April 20, 21, 26, 27, and 28th. It is a 5-day, 40-hour, in-person training. Applications are now being accepted! If applications exceed space, preference is given to UofL Health employees. The course is free to UofL Health employees and is \$250 to others. If you have additional questions, please email safeservices@uoflhealth.org

*There are additional (non-UofL Health) statewide and online SANE trainings for registered nurses. These courses, combined with required clinicals, will qualify you to become a SANE in Kentucky. [International Association of Forensic Nurses](#) offers online courses. Info on Kentucky specific trainings can be found at www.kasap.org or the [Kentucky Board of Nursing](#)

What are SANEs?

SANEs are registered nurses who have received advanced education and training regarding sexual assault and forensic nursing. SANEs complete medico-legal examinations, collect and preserve evidence, apply critical thinking skills and is considered an expert witness in the judicial system. SANE credentials are issued by the Kentucky Board of Nursing to RNs who complete this 40-hour didactic course and complete the clinical requirements.

What is UofL Hospital – SAFE Services?

SAFE Services is a forensic nursing program at UofL Hospital (ULH) serving victims of sexual assault and domestic violence. ULH SANEs are PRN employees of the hospital responding on an on-call basis to victims at 17 participating locations. PRN SANEs are on call 24 hours per month, with most schedule openings on evenings, nights, and weekends. PRN SANEs are paid for their on-call time as well as on a per case basis. SANEs must have reliable transportation and the ability to work independently to be successful in their role. For additional questions please contact us at safeservices@ulh.org.
